5. Information about your spouse/partner (sponsor) who will be working or studying in Denmark

PLEASE COMPLETE IN CAPITAL LETTERS

In the section below, you are asked to provide information about your spouse/partner (sponsor) who will be working or studying in Denmark, or who is already doing so.

The information is required in order to correlate your application with that of your spouse/partner.

In order to be granted a residence permit as an accompanying spouse/partner, your spouse/partner (sponsor) must sign the declaration in appendix 3 that he/she has not been convicted of crimes against a spouse/partner in the past ten years. This is required by Danish law.

Note: If one or more children are applying for a residence permit as an accompanying child without the sponsor's spouse/partner (the child's other parent) also applying for a resident permit, please provide information about the parent who will be residing in Denmark with the child/children below.

If your spouse/partner (sponsor) is granted a residence permit under **the Greencard scheme** or is going to **study** in Denmark, please provide proof that he/she can support you and any children included in this application during your stay in Denmark. The required documentation varies depending on whether the sponsor is granted a residence permit under the Greencard scheme or is to study in Denmark.

The Greencard scheme

If the sponsor is granted a residence permit under the Greencard scheme, the sponsor must provide documentation that he/she disposes of an amount equal to **Danish start aid (starthjælp) for one year**. The monthly start aid amount is (2009 level):

- DKK 5,079 for persons under 25 (not living with their parents)
- DKK 6,124 for single persons over 24
- DKK 5,079 per person for married/cohabiting persons over 24
- DKK 1,270 per child if you are a married/cohabiting person
- DKK 1,532 per child if you are a single person

Such documentation includes e.g. bank statements.

Example: If your spouse/partner (sponsor) is granted a residence permit under the Greencard scheme, and you have a child who also is going to live in Denmark, then the sponsor must document that he/she has sufficient funds to provide at least 5,079 kroner per month for you, 5,079 kroner per month for him/herself and 1,270 kroner per month to provide for your child.

In all, you must be able to prove that you have financial resources amounting to $(5,079 + 5,079 + 1,270) \times 12 = 137,136$ kroner – the equivalent of Danish start aid (starthjælp) payments for the same size family for one year.

Note: If one or more children are applying for a residence permit as an accompanying child without the sponsor's spouse/partner (the child's other parent) also applying for a resident permit, the monthly start aid amount is DKK 1,532 pr. child.

Students

If your spouse/partner (sponsor) is to study in Denmark, the sponsor must provide documentation that he/she has at his/her disposal the equivalent of **DKK 25,000** per family member. Such documentation includes bank statements in the sponsor's name, certification from the bank or documentation of scholarships in the sponsor's name.
